

## **Town of Trinity Heritage Area Applications**

The Town of Trinity has received four applications for the Heritage Area, anyone wishing to view the application may do so during regular office hours. Anyone with concerns/objections regarding any of these applications listed below must do so in writing on or before noon May 2, 2013.

- A request from 5 West Street to build a new deck along the front of the house (dimensions of the deck will be 5 x 14). Remove and replace the porch with the same design and character of the old porch including the pitch of the roof and the location of the exterior door. The size will change from the current porch being 6 x 12 with the new porch being 6 x 15. The current porch has two windows at rear where the new porch will have a single window at the rear. The new window will conform to the current single hung, four pane style found throughout the house and will be constructed using the same type of material as the existing windows. The foundation will be concrete.
  
- A request from 8 West Street to build an exterior fire escape exit from the second floor of the building.
  
- A request from 23 Church Road to add an addition 12 x 12 to the front of the current workshop and move the window to the new addition with new double doors and clapboard and paint to match current building.
  
- A request from 23 Church Road to add an addition 8 x 24 on the left side of existing garage. 12 ft opening on the side for log loading with double doors on one end to move sawmill in and out. Clapboard and paint to match existing garage.
