

SPRING CLEAN UP **MAY 20th & 21st, 2014**

It's that time of year again to get rid of those things that have been collecting up all year long. Spring clean up will be May 20th and 21st, 2014. All items must be placed as close to the road as possible without creating a hazard to drivers and must be out by 8:00 a.m. The contractor will start at the beginning of Goose Cove by Keith Woolridge's at 8:00 a.m. and will work his way around to Trinity. The contractor will not be revisiting sites so everything **MUST** be out by 8:00 a.m, on May 21st.

The contractor will not be responsible for taking hazardous materials such as tires, batteries, etc., and absolutely **NO GRASS or TREES**. All items must be able to be handled by two people.

The contractor will not be responsible for hauling away any construction or demolition refuse from sheds, garages, houses, buildings, etc., that are under construction or renovation. Clean up of job sites are the responsibility of the contractor and/or property owner.

Please remember that Monday is regular household garbage collection day.
