OR

**by searching Eastern Health and click on survey link**

This survey is designed to collect information about health care services in the Bonavista area to better understand the health needs of local residents. This information is important to us as it will support the development of the new model of care and be used as a starting point to monitor improvements in health services in the region's population over time. For a paper copy of the survey, call (709) 468-5172 or (709) 468-5310.
