

**The Town of Trinity is excited to announce
the Second
Fort to Forge 10k Run/Walk
On Sunday, 24th September 2017
Start time: 10.00 am**

This year we are very pleased to announce that Sweet Rock Ice Cream is sponsoring our race and will be generously donating to our chosen charity. In addition, look out for some very tasty surprises at the Finish Line for the participants.

Our chosen charity this year is Young Adult Cancer Canada (YACC). YACC is a registered charity that works with and for young adults diagnosed with cancer between 15 and 39. Their mission is to build a community of young adults diagnosed with cancer that provides information, support, skills, and opportunity. Visit their website at youngadultcancer.ca to learn more and view some survivor profiles and blogs.

About the Run

The 10K run starts at Fort Point Lighthouse and we will transport you there by bus. It finishes at The Forge in the centre of Trinity.

This scenic run follows the shore line with spectacular views of the West Arm and Southwest Arm of Trinity Harbour as you pass through the communities of Dunfield and Goose Cove. Much of the route is on gravel and off the main roads and there are also some challenging hills.

There will also be a 5K run/walk which also starts at the Fort Point Lighthouse, at the same time, and finishes in Dunfield where you will be transported back to Trinity.
