

SPRING CLEAN UP

MAY 22nd & 23rd, 2019

It's that time again to get rid of those things that have been collecting up all year long. Spring clean up will be May 22nd and 23rd, 2019. All items must be placed as close to the road as possible without creating a hazard to drivers and must be out by 8:00 a.m. The contractor will start at the beginning of Goose Cove by Keith Woolridge's at 8:00 a.m. and will work his way around to Trinity. The contractor will not be revisiting sites so all garbage **MUST** be out by **8:00 a.m, on May 23rd**.

The contractor will not be responsible for taking hazardous materials such as tires, batteries, etc., and absolutely **NO GRASS OR TREES**. Items must be able to be handled by two people.

The contractor will not be responsible for hauling away any construction or demolition refuse from sheds, garages, houses, buildings, etc., that are under construction or renovation. Clean up of job sites are the responsibility of the contractor and/or property owner.

Please be advised that regular garbage collection will be on Tuesday, May 21st, due to the holiday on Monday.
