Looking for Volunteers Ambassador Program

The Town of Trinity is seeking volunteers to be part of an Ambassador program for the upcoming tourism season.

Ambassadors would welcome visitors to the Town of Trinity, provide information regarding events going on in the Town that day, answer questions and inform visiting tour buses on where to park during their stay.

If you have some time available between mid-May and mid-October and would like to volunteer you can call the Town Office 464-3836 or email counciltrinity@netscape.net to put your name on the list.

Training will be provided prior to the start of the tourism season.
