

SPRING CLEAN UP

May 24 & 25, 2023

It's time again to get rid of those things that have been collecting up all year long. Spring clean-up will be Wednesday, May 24th, and Thursday, May 25th, 2023. All items must be placed as close to the road as possible without creating a hazard to drivers. On May 25th the contractor will start at the beginning of Goose Cove by Keith Woolridge's at 8:00 a.m. and will work his way around to Trinity. The contractor will not be revisiting sites so all garbage **MUST** be out by **8:00 a.m., on May 25th**.

The contractor will not be responsible for taking hazardous materials such as tires, batteries, paint etc., and absolutely **NO GRASS or TREES**. Items must be able to be handled by two people.

The contractor will not be responsible for hauling away any construction or demolition refuse from sheds, garages, houses, buildings, etc., that are under construction or renovation. Cleaning up of job sites are the responsibility of the contractor and/or property owner.

Please be advised that regular household garbage collection will be on Friday, May 26th.
