

FALL CLEAN UP

September 20th & 21st, 2023

It's that time again to get rid of those things that have been collecting up all year long. Fall clean up will be September 20th & 21st, 2023. All items must be placed as close to the road as possible without creating a hazard to drivers. On September 21st, the contractor will start at the beginning of Goose Cove by Keith Woolridge's at 8:00 a.m. and will work his way around to Trinity. The contractor will not be revisiting sites so all garbage **MUST** be out by **8:00 a.m.** on **September 21st**.

The contractor will not be responsible for taking hazardous materials such as tires, batteries, etc., and absolutely **NO GRASS, TREES**. Items must be able to be handled by two people.

The contractor will not be responsible for hauling away any construction or demolition refuse from sheds, garages, houses, buildings, etc., that are under construction or renovation. Clean up of job sites are the responsibility of the contractor and/or property owner.
