

Heritage Application

The Town of Trinity has received a revision to an application for 35 Fort Point Road Lot 2. The following proposed changes.

Chimney has been moved to the middle of the roof.

In the basement, a door has been added to the East elevation and a window on the West side.

Two of the windows on the main floor have been shortened (West/Right elevation – so all consistent in height and South/Rear elevation – to be consistent with West/Right change.

These documents may be viewed at the Town Office during regular office hours. Anyone with objections or concerns must contact the office in writing on or before noon March 4, 2024.
