

FALL CLEAN UP

September 18th, and 19th, 2024

It's time again to get rid of those things that have been collecting up all year long. Fall clean-up will be Wednesday, September 18, 2024, and Thursday, September 19, 2024. All items must be placed as close to the road as possible without creating a hazard to drivers. On September 19th, the contractor will start at the beginning of Goose Cove by Keith Woolridge's at 8:00 a.m. and will work his way around Trinity. The contractor will not be revisiting sites so all garbage **MUST** be out by **8:00 a.m., on September 19th**.

The contractor will not be responsible for taking hazardous materials such as tires, batteries, etc., and absolutely **NO GRASS, TREES**. Items must be able to be handled by two people.

The contractor will not be responsible for hauling away any construction or demolition refuse from sheds, garages, houses, buildings, etc., that are under construction or renovation. Cleaning up of job sites is the responsibility of the contractor and/or property owner.

Please be advised that regular household garbage collection will be on Friday, September 20th.
